## **Disclosure of Faculty Financial Affiliations**

The University of Virginia School of Medicine, as an ACCME accredited provider, and The University of Virginia School of Nursing Continuing Education as an ANCC accredited provider, endorses and strives to comply with the Accreditation Council for Continuing Medical Education (ACCME) Standards of Commercial

Support and with the American Nurses Credentialing Center (ANCC) Content Integrity Standards, Commonwealth of Virginia statutes, University of Virginia policies and procedures, and associated federal and private regulations and guidelines on the need for disclosure and monitoring of proprietary and financial

interests that may affect the scientific integrity and balance of content delivered in continuing education activities under our auspices.

The University of Virginia School of Medicine and School of Nursing require that all CE activities accredited through this institution be developed independently and be scientifically rigorous, balanced and objective in the presentation/discussion of its content, theories and practices.

All faculty presenters participating in an accredited CE activity are expected to disclose relevant financial relationships with commercial entities occurring within the past 12 months (such as grants or research support, employee, consultant, stock holder, member of speaker's bureau, etc.). The University of Virginia School of Medicine and School of Nursing will employ appropriate mechanisms to resolve potential conflicts of interest to maintain the standards of fair and balanced education to the participant. Questions about specific strategies can be directed to the Office of Continuing Medical Education, University of Virginia School of

Medicine or the University of Virginia School of Nursing Continuing Education, Charlottesville, Virginia.

The faculty, staff and planning committee of the University of Virginia Office of Continuing Medical Education and the University Of Virginia School Of Continuing Education have no financial affiliations to disclose.

**Disclosure of discussion of non-FDA approved uses for pharmaceutical products and/or medical devices** The University of Virginia School of Medicine and the University of Virginia School of Nursing Continuing Education requires that all faculty presenters identify and disclose any off-label uses for pharmaceutical and medical device products. It is recommended that each clinician fully review all the available data on new products or procedures prior to clinical use.
